

— FARM FOR GOOD CHARTER —

## COMMITMENT TO AGROECOLOGICAL TRANSITION

BY JOINING OUR CHARTER, FARMERS AND TRANSFORMERS COMMIT TO:

1

Make our agriculture more sustainable towards bio-regenerative practices

2

Develop collaboration between local players

3

Promote an economy that serves society

THESE ARE THE THREE PILLARS OF TOMORROW'S AGRICULTURE AND FOOD SYSTEM, PILLARS THAT SUPPORT THE FARM FOR GOOD NETWORKS.

ON THE WAY

### BIO REGENERATIVE AND ORGANIC AGRICULTURE

- ✓ Organic certification (or in conversion)
- ✓ Transition plan to achieve the following goals:
  - › Soil regeneration
  - › Maximum biodiversity
  - › Economy in resources
  - › Agroforestry
  - › Animal welfare

### TERRITORIAL COOPERATION

- ✓ Projects serving the community
- ✓ Learning community
- ✓ Priority to local sectors

### SOLIDARITY ECONOMY

- ✓ Equitable remuneration for all actors in the sectors
- ✓ Risk sharing
- ✓ Decent working conditions
- ✓ Sectors with a positive social impact

FARM FOR GOOD!
